Improving the health of our community

The Ark Toy and Activity Library offers an extensive range of items for people with specific needs and their families, and playgroups for parents and babies.

The Ark Toy and Activity Library

As part of East Grampians Health Service, the Ark Toy and Activity Library provides a borrowing service to people with specific needs and their families, senior citizens and playgroups for parents and babies.

The library offers a wide range of toys and equipment which are not only fun but may also assist members to develop extra skills.

There is an extensive range of items to choose from to enhance visual, communication, tactile and motor skills which promote independence.

Membership is open to these groups:

- People with specific needs, their families and carers.
- Playgroups for parents, babies and pre-school children.
- People in Gorrin House, Garden View Court, 70 Lowe Street and Patricia Hinchey Centre.
- Kindergartens and schools.

Membership for families is free.

Loans

Items may be borrowed for four weeks, or longer in special circumstances.

Items are to be returned to the library clean and in good condition.

Any damage which may have occurred should be reported when items are returned.

Auxiliary

The Ark Toy and Activity Library Auxiliary meets on the first Wednesday of alternate months. New members are welcome.
