

FREEDOM OF INFORMATION REQUEST

Under the Freedom of Information Act 1982 (Vic) (FOI Act), every person has the right to request access to documents held by Victorian public sector agencies. This right of access is subject to exceptions and exemptions necessary to protect public and private interests.

Making a valid request

Under section 17 of the FOI Act, a request must meet three requirements to be valid:

1. Your request must be in writing;
2. You must provide sufficient information about the documents you are requesting to enable us to identify and locate relevant documents; and
3. You must pay the **application fee**, or if payment of the application fee would cause you hardship you can request us to waive the fee in full or in part.

	Fee (From 01/07/2022)
Application fee	\$30.58

For more information on how to make a valid freedom of information (FOI) request, visit the Office of the Victorian Information Commissioner's (OVIC) website www.ovic.vic.gov.au.

After you submit a request

After you submit a request, we will assess whether it meets the requirements outlined in section 17 of the FOI Act. If we determine that your request is not valid, we will notify you within **21 days** from the date we received your request and provide you with assistance to help you make the request valid. If your request is valid, we will begin processing it.

Timeframes

We have **30 days** from the date you make a valid request to provide you with a decision. However, we can extend this time by up to 15 days if we need to consult with a third party whose information may be contained in the requested documents. We may also extend this time by up to 30 days with your agreement. We will let you know if the timeframe changes.

Other charges

We may require you to pay certain charges before access is provided to the requested document(s).

	Prices (From 01/07/2022)
Search charge	\$22.94 per hour
Photocopying charges (A4 black and white)	0.20 cents per A4 page
Supervision fee (If you would like to view the records in person)	\$22.94 per hour

East Grampians Health Service (EGHS) will collect your personal information on the Freedom of Information Request form for the purpose of processing your Freedom of Information request. This may involve disclosing details such as your name, the terms of your request, and the documents falling within the scope of your request that concern relevant third parties. If necessary, we may transfer your request under section 18 of the FOI Act to another agency who is better placed to handle your request. We will notify you if we do this.
