

HERE'S AN OPPORTUNITY

EAST GRAMPIANS HEALTH SERVICE offers an exciting new employment opportunity for students who are enrolled in the iVET HLT33115 Certificate III in Health Service Assistant (Nursing) course and have successfully completed the first year of this qualification.

To support the consolidation of newly gained skills, Health Service Assistant (HSA) positions are available in our three aged care facilities for students.

This opportunity offers students the exposure to a health care setting and the support to develop and encourage them to consolidate recently acquired skills and knowledge.

The positions suit motivated students who are passionate about a career pathway to nursing in a rural setting and who have an interest in a long-term career with East Grampians Health Service.

EGHS WILL:

- Offer flexibility for part-time work (after-school hours)
- Offer shifts that fit with structured workplace learning (SWL)
- Offer orientation and clinical competencies designed specifically for HSA
- Clinical support from Clinical Support Nurse/Educators

TO APPLY

To apply for these positions please submit an application including:

- Cover letter and resume
- Document detailing responses to the selection criteria (see Position Description)
- Two referees
